

Are you looking for more ways to reduce energy usage and energy costs in your home or business?

The City of Covina participates in the San Gabriel Valley Energy Wise Partnership (SGVEWP), in partnership with the San Gabriel Valley Council of Governments, Southern California Edison, and the Southern California Gas Company. The SGVEWP helps City residents and businesses reduce their energy usage and costs. To find out more about the SGVEWP and helpful ways to reduce your energy costs and usage visit www.sgvenergywise.org.
